The Cultivation of Tobacco.

WEDNESDAY, AUGUST 19.

Life. And he transfel it to his mife. It told her that lying dead Was a friend of her early life. A ring at the entry door

Calls for an explanation;
En returns to his wife once more

With a wedding invitation.

A call at the telephone,
And a voice says, "three me joy,"
And continues in blissfi. lone, "My Mary has got a boy." EPHAGONA I And so life scampers past,
I wonder for which "tis worst,"
Theono that marries—or breathes its last,

Or the one that breathes its first.

—Albert Bigelow Pali What's this From the dull dark sky an hour ago? The perfect snow!

What's this From the dull dark stells and had that grows: The greet red resel

What's this From a dull dark pain that comes to bless! A pleasured Yes! -Wide Awaka

Depend upon it, my snoblish friend,
Your family thread you can't second
Without good reason to apprehend,
You'll find it waxed at the farther end
By some plebelan vocation!
Or, wome than that, your boasted line
May end in a loop of stronger twine
That plagued some worthy relation!

—J. G. Save The Family Line. Art Endures.

All passes. Art alone
Emittring stays to us;
The Bust suchash the throne
The Coin, Tiberius.

curing have been worth millions of dollars to the tobacco growers of Virginia and North Carolina.

Up to the year 1850 the cultivation of bright tobacco was confined to a few border counties and had made but little headway. From 1859 there age, the counties of Halifax and Pittsylvania, in Virginia, and Rockingham, and Caswell, in North Carolina, taking the lead. The war shecked the process of this great industry to some extent, but at its close the great era of extension commenced. Tobacco growing spread out in all directions. Most noticeable was the south-

ern direction in which the planting of tobacco took. All the counties in the northern half of North Corolina, east of the monutains and extending and Heary Wheeler's frame residence growing the weed The rapid growing the weed The rapid development of the industry and the At Elizabeth, N.
